## BENEATH THE SURFACE

In the narthex...at the south end of the main hallway...in the west entrance... near the Boy Scout hallway...at the south end of the lower hallway: in each of these spots you'll find temporary doors that are meant to be locked...even though locking them is sometimes forgotten. Even if you find one that opens, resist the temptation to enter the construction zone. In a word, it's not safe in there! It's dark...there is rubble on the floors...pipes and electrical wires are dangling loose...holes have been cut in floors...temporary columns and beams are shoring up floors because load-bearing walls have been removed... and whole exterior walls have disappeared so that there is an openness that hints at the promise of the graciousness and grandeur of our new atrium and core spaces.

As I said, it's unsafe. But how I wish I could take you all on a guided tour of the construction zone that changes daily. Altounian Construction has even provided me with a personalized hard hat that gives me access to the construction zone. They've done that for themselves because they sometimes need me to answer questions. But what a gift it is to be able to watch the progress first-hand!

After all the fund raising...after all the planning...after all the preparation something new is being created. So much that has been familiar in this building is changing or disappearing altogether. I heard that especially from a **Hands of Peace XL** last summer. He looked me in the eye and, through tears, asked **What have you done to our dialogue room?** What that anguished question really communicated was that, for this young peacemaker,

something transforming and life-changing had happened in one of our church's rooms that made that room holy for him. If that's true for a young man who spent less than three weeks in this building, I know that it's so much more profoundly true for many of you. Yes, there's grief in saying good bye and letting go.

Yet, by God's grace, releasing yesterday can become anticipating tomorrow. And tomorrow is what is being created behind the closed doors. The pictures in this newsletter and on the construction barriers give us a glimpse. But, behind the closed doors, the full impact is still being knit together.

So we wait, and we anticipate. Just how appropriate is it that Easter is the projected occupancy date: the day of resurrection and new birth? Yet there are other things that we wait for and anticipate that are far more significant. In the words of John's Revelation, we wait for that day when...

***the home of God is among mortals... when God will dwell with us; we will be God's peoples, and God will be fully present with us...when God will wipe every tear from our eyes...when death will be no more; mourning and crying and pain will be no more, for the first things have passed away... when God makes all things new with justice and mercy...when all God's children shall live in peace.***

Yes, we wait. We anticipate. And we hope. In the words of the Apostle Paul,

***For in hope we were saved. Now hope***

continued in from the front page

**that is seen is not hope. For who hopes for what is seen? But if we hope for what we do not see, we wait for it with patience.**

And we do more than wait in patience. We work with perseverance. What shall yet be is mysterious. It is not seen. But we know and have seen the Master Builder....because we know and have seen Jesus.

Yes, one day, the doors will open. The barriers will disappear. And we shall see what is still yet to be... in GCC's building, but so much more in God's world. Until that day, let us wait. Let us anticipate. And let us hope...knowing that, in God's mind and heart, what shall be already is. See you in church!

## CONSTITUTION WORKING GROUP (CWG) UPDATE/FEEDBACK

The CWG will be holding an update/feedback session for all congregants on Sunday, October 21, from 11:15-12:15 in the Transept. The CWG will give an update on the issues that have been raised regarding the Interim Constitution and Bylaws that they have been reviewing and developing recommended revised changes which the Congregation will be voting on in May 2019. Please plan to attend this session to hear from the CWG and to give them your feedback on their work done to date and their work still to do.

# SPIRITUAL COUNCIL MEETING REPORT SEPTEMBER 25, 2018

With autumn's arrival, a new church year has begun and the building is filled with activity—all presided over by the towering crane on the east lawn!

**CONSTRUCTION UPDATE:** Most of the current work is demolition, but the plumbers have already begun roughing in lines for the new restrooms. The crane is lifting demolition debris out of the center of the building and bringing in construction materials.

**PASTORS' REPORTS:** Elizabeth reported on an energetic start for the youth and children's programs, with strong attendance numbers for church school, confirmation, PYF, and FISH. Pam praised the confirmands for their openness and willingness to learn and the confirmands' parents for their support and involvement. Chuck spoke about our retiring Business Administrator Dale Wittenberg, who has been a gift to GCC, and our new Director of Children's Choirs Lydia Lane Stout, who is already a blessing to the church.

**TREASURER'S REPORT:** Year to date, we are about \$50,000 ahead of budget. Forward in Faith pledge fulfillment will soon cross the \$2 million line, which is well ahead of schedule and will help minimize the amount we will need to borrow against our construction loan.

**GENEROSITY:** The Generosity Team is kicking off its annual pledge campaign with the theme *We're Making a Difference With God's Love*. Look for information on pledging in your mailbox and inbox, and please make time for prayerful consideration of your family's commitment. A balanced budget is within our reach.

Constitution Working Group (CWG): Chair Bob McGee updated the Spiritual Council on the CWG's progress in addressing congregational feedback about the Interim Constitution. On October 21 after services, the CWG will update interested congregants and listen to comments.

**NEW TO YOU RESALE SHOP:** Due to construction, the shop will remain closed for at least two more months.

## CUT, CAP AND MAKE SAFE

Cut, Cap and Make Safe is ongoing as the electrical and heating contractors continue to trace circuits and pipes twisting, turning and intertwining within the building. It is such a maze within this structure with all the various remodeling and additions added over the years, it is taking a bit longer than anticipated.

This past Friday the main sanctuary chiller was relocated. The HVAC contractor had a crane parked in the handicap spaces on the West side of the gym.

Temporary structure support has been added on all floors and walls are being removed. The exterior walls of the parlor are gone and new door openings are being created.

Rough plumbing continues in the first floor women's bathroom and 2<sup>nd</sup> floor family bathroom. Mechanicals are being run above the ceiling in the resale shop.

New steel structure is scheduled to be installed for door openings in the lower level and first floor beginning next week.

Wall framing for the bell choir room is complete and awaiting the next phase.

We are hoping that the new water service installation will begin next week. *Nick*

# CHILDREN AND TEEN FAITH FORMATION MINISTRY

## MISSION PROJECTS KINDERGARTEN – 12<sup>TH</sup> GRADE

The church school teachers, confirmation teachers and PYF adult leaders have built service into our curriculum. This month all ages assembled hygiene kits for the Night Ministry. We assembled over 200 hygiene kits. The church school children complete service projects about 6 times a year, generally on the first Sunday of the month. It is part of Confirmation's learning requirements. The high school students this year are focusing their efforts serving those that are hungry and in poverty.

Peace, Elizabeth

# GOOD NEWS

## FROM THE SPIRITUAL CENTER AT GCC AND REV. BOBBIE MCKAY, PH.D.

The Spiritual Life Team Program that Dr. Bobbie McKay directs is now a part of the Glenview Community Church Family with a NEW NAME: THE SPIRITUAL CENTER AT GCC. That change means that the Spiritual Council has voted to include this program as a part of GCC for which we are both deeply grateful and very excited! That also means:

- **FOUR NEW SPIRITUAL LIFE TEAMS STARTING** this fall with two more in the planning stage;
- **SPIRITUAL LIFE TEAM SUNDAY ON SUNDAY, OCTOBER 14** when you will meet members of spiritual life teams leading worship and meeting with you after worship to share their experiences on spiritual life teams and invite you to participate in this amazing program.
- **A NEW SPIRITUAL LIFE TEAM PROGRAM STARTING AT FIRST UNITED CHURCH OF OAK PARK** and the opportunity to share this program with other churches in the area.
- **AN OPPORTUNITY FOR ALL GCC MEMBERS** and potential members of GCC to learn about this spiritual program which enables people to learn more about the gifts of spiritual life with a group of other learners in a safe, comfortable and very exciting environment in the Chapel at GCC. We meet for only one hour, once a month, with no other tasks or "strings" attached. This program will change your life and make your spiritual life a reality in every aspect of your life.

The churches that are surviving in this age of closing churches are those churches where spiritual programs are available to build both spiritual lives and congregations where people can "know" God and live lives deeply connected to God and their congregation. It Builds Bridges and Changes Lives!!

# CMA FALL MEETING

The Joint meeting of the Fox Valley and Chicago Metropolitan Associations will take place on Saturday, October 20, 2018 at Union Church of Hinsdale, 137 S. Garfield Avenue, Hinsdale.

The theme of the meeting is **Fruits of the Spirit, from the Valley to the City**. Worship will be led by Lighthouse Church of Chicago and Gilead Church. Four churches from the two associations will present a panel discussion about their vital ministries that have brought new life to their congregations and helped their churches grow in body and spirit.

If you are interested in more details, please contact Rev. Pam Keckler.

# CALLED TO CARE

One of the most precious gifts we can give to others is our presence. If you would like to do that for a fellow church member who is experiencing a health crisis, a loss, or a traumatic change in their situation, please consider becoming a Caregiver through Called to Care. The investment is 1-2 hour-long visits per month, and a monthly meeting for resources, conversation and support. If you're interested, please contact me at [chuck.mize@gccucc.org](mailto:chuck.mize@gccucc.org). Thank you!

# SUPPORT GCCNS

Support our nursery school with a meal at **meatheads** in Northbrook. Show the flyer located on page 6 (or mention **GCCNS**) when you order on Sunday, October 14 and Meatheads will donate 20% of the proceeds to **GCCNS**.

# Christmas Trees

## ANNUAL PYF & CONFIRMATION CHRISTMAS TREE SALE

All trees are **Fraser Firs** - fresh cut less than one week prior to delivery and transported to Chicago via refrigerated trucks. The Fraser Fir has strong branches for decorations, beautiful dark green needles, full shape, wonderful aroma, and the ability to stay fresh the longest. Because of the size and fullness of the Fraser Fir, a substantial tree stand is needed. For those interested, Cinco tree stands are available at \$25 for the medium stand (holds up to an 8' tree), or \$35 for the large stand (up to 10'). These stands are durable, made of a material that will not crack or rust, easy to put the tree in and fill with water.

**Tree pickup will be Saturday, November 24, 2018 - 9:30 AM until 10:30 AM.** If you will be unavailable on this date, please arrange for your tree to be picked up by a friend or delivered by PYF. **For Glenview residents wanting tree delivery, trees will be delivered by PYF on Saturday, November 24, for a fee of \$20.00.** Please indicate address and any special delivery instructions below.

The Christmas Tree Sale is one of PYF's most important fundraisers as 40% of each tree purchase goes directly to supporting PYF and Confirmation programs including scholarships for mission trips. **THANK YOU FOR YOUR SUPPORT!**

## Pondering In Silence

Life is too short to wake up in the morning with regrets. So, love the people who treat you right, forgive the ones who don't and believe that everything happens for a reason.
